

## Import The Required Model Building Libraries

Team ID	PNT2022TMID33016
Project Name	Project –Real time communication for specially abled powered by AI

Import the model building libraries:

---

Import the Model

```
In [3]: from tensorflow.keras.models import Sequential  
        from tensorflow.keras.layers import Convolution2D,MaxPooling2D,Flatten,Dense
```

---
